

REMARKS

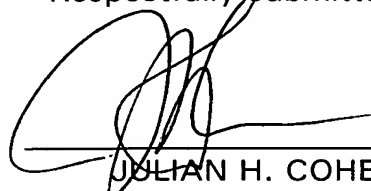

Careful consideration has been given to the Official Action of July 1, 2004 and the above amendatory action has been taken to place the application into condition for allowance.

In this regard, the Examiner has raised objection to the claims under 35 U.S.C. § 112 for lacking antecedent support of specified language.

The claims have been amended to overcome the objections of the Examiner and to place the claims into condition for allowance.

It is therefore respectfully submitted that only allowable claims remain in the application and early despatch of the Notice of Allowance would be appreciated.

Respectfully submitted,
